

HOME INSTEAD WIN TRAFFORD COMMUNITY AWARD

We would like to share with you our recent success in winning the Chamber of Commerce Community Award at the Trafford Business Awards dinner.

We have won this award not only for providing a high quality service to over 120 clients and employing over 60 compassionate local people as part-time CAREGivers but also by helping many others through our community initiatives.

GOING THE EXTRA MILE

Undoubtedly the secret to our success is the dedication shown by our CARE-Givers to their clients on a daily basis. Here is some recent feedback:

"I would like to say a special thank you to Jane for being the best ever carer for mum. I was so impressed by your kindness, patience, empathy and humour with mum."

This lovely quote came from the daughter of a lady living with advanced dementia. CAREGiver Jane Shaw accompanied the client to her granddaughter's wedding which allowed all the family to enjoy a wonderful day.

"I am happy to report that there is a massive improvement in her skin symptoms after the care agency has been changed."

This high praise came from a consultant at a local hospital after seeing the difference CARE-Giver Michelle Sallaway had made from a few weeks of diligently supporting a client with dementia in her complicated care routine.
