

# Urmston Community Farm

**Sow the City has several acres of land in Urmston Meadows we want to develop into a community farm and we'd like to hear from you.**

## OPEN EVENING

**Urmston Library, 23rd April 2013,**

**5pm until 7pm**

### **What we want to do**

Create a place where people can enjoy the natural environment.

Provide an educational resource for people to learn about farming and where food comes from.

Supply the local community with organically grown locally produced fruit and vegetables .

### **How you can help**

We would like to hear from organisations that want to collaborate on this exciting new project.

We want to speak to restaurants and cafes that would be interested in buying our produce.

We are looking to recruit volunteers to help construct and run the scheme.
