Genie Networks have been short listed as Centre of the year by Signature. Our Training Academy programmes are delivered by qualified and experienced deaf tutors who will provide you with knowledge and skills for enhancing communication with deaf people in British Sign Language; we use activities, short interactive presentations, discussions and role play.

The course fee includes registration, assessments, online student resources and refreshments. At the end of the course you will be awarded with an **Accredited Signature Award in British Sign Language**. We are a specialist and unique organisation with a wealth of experience in deafness and delivering early intervention services in the community.

We are a registered charity our profits are invested back into the community to support deaf people and their families. We also provide exciting volunteering opportunities.

Limited places are available, book now to secure your place.
