

# Feel the Buzz in Stretford Hive

The Stretford Hive is a community project based on The Gallery (opposite Tesco) in Stretford Mall. Secured initially for one year to become a 'hive of activity' for communities and individuals to:

- Learn
- Relax
- Be Creative
- Undertake Training and Develop Skills
- Connect
- Socialise
- Get information/Advice

The project has come about due to an award of £10,000 to Stretford as part of the 'Town Team Partner' scheme. Events and 'activities are taking place to promote and encourage the use of Stretford Town Centre. Activities will include things such as:

- Art Classes
- Support Services
- Social Groups
- Health and Wellbeing Services
- Information and Advocacy
- Skills Training
- Community Learning

We would like to hear from community groups / organisations that may be interested in being part of the project and would like to use Stretford Hive to deliver activities or workshops.
